EXPERIENCE

Intern for AWS Cloud Virtual InternShip

AICTE EduSkills

January 2023-February 2023

Virtual InternShip

Google developer student club Core member

Google

September 2022 -ongoing

K L University,Guntur

- 12 out of entire university applicants are chosen to be a core(lead) for the google developer student club
- Learnt and Taught about a range of technical topics and gain new skills through hands-on workshops, events, talks, and project-building activities online and in person.

ACHIEVEMENTS

Ranked 3rd on University Competitive Programming Leader-board

Currently Ranked 3rd on University CP Tracker Leaderboard based on performance in various competitive coding websites such as codechef, codeforces ,leetcode and Hackerrank

Got 4942 rank in AP Eapcet

I got 4942 rank in AP Eapcet .It is the sweetness given by my self-learning skills. I am very prod of my self learning and fastlearning skills

PROJECTS

Fasion Design System-imash

Technologies:Django,HTML,CSS,SQLite3,JavaScript,BootStrap

August 2022

Role:Team Lead

- Worked as both frontend and backend developer in this project. It is a platform where a fashion designer can sell products and can take orders from the customer.
- This project will take the response from the users to take the feedback to modify the product according to their wishes.

Event Management System

Technologies: ReactJS, Express, NodeJS, HTML, CSS, MongoDB, JavaScript, BootStrap, MaterialUI,

August 2022

Role: Team Lead

- Worked as both frontend and backend developer in this project. It is a platform where users can book Virtual Events.
- This Project will manage and organise only virtual events.As from pandemic many people are not mingling and avoiding crowds.So our web application will manage and organize virtual events.

LIFE PHILOSOPHY

"If you don't have any shadows, you're not standing in the light."

STRENGTHS

Hard-working (9/10)

Persuasive
